

We'll come united! September 16th 2017
Anti-racist Parade/commUNITY-Carnival in Berlin

Buses of Hope Rhein Main

Dear all!

We are many more than we guess. One week before the German elections, we will show up on the streets and be loud. We want to tell our stories – stories of flight and deprivation of rights, authorities and racism, welcoming and staying.

We'll come united: For politics of solidarity. Together for all – on September 16th in Berlin!

The demonstration will start on September 16th at 13:00 in front of the Ministry of Interior in Berlin (near the main station). The closing event will take place at Oranienplatz. The parade will consist of different thematic wagons: against deportations, for the right to education for all, Solidarity Cities and much more!
